To compile an accurate word and picture account of the interesting and challenging events of the school year is the primary purpose of our yearbook, the *Mirage*. This year, as in past years, the *Mirage* has recorded for our students their "way-of-life" at Lancaster High School. This is the history of the fun you have had, of the work you have done, of your accomplishments in co-curricular activities, of the moments of exhilaration and, yes, of a few heartaches as you have progressed through L.H.S.

The fact may not occur to you presently but your *Mirage*, the chronicle of your Senior High years, will bring you great delight and certainly a little poignant shock of nostalgia as you look back through your 1970 annual in the years to come. You will be able to spend a few minutes in memory with old friends and familiar places.

May I congratulate you upon the completion of your high school studies and wish for you all happiness and success in whatever your post high school plans encompass.

Richard L. Sheely — Superintendent

To every graduating senior, I extend my congratulations and wish you to continue success in the future.

For all of the students at Lancaster High School, my hope is for you always to aspire toward higher goals. Each and every one of us must aspire to be the best person we can possibly be. We, also, must aspire to achieve excellence in whatever tasks we perform. Most of all we must aspire to do the best we can for our fellow mankind.

The challenges confronting you are great and will be even greater in this rapidly changing world. The challenges focus primarily on resolving the social ills now confronting our society.

I believe in the ability of this generation of teenagers to solve these problems. The social crisis of today will be removed through the endeavors of students such as yourselves.

Today's problems cannot be resolved by

looking into a rear view mirror, nor can today's problems be solved with yesterday's solutions.

Even with our best efforts the land of tomorrow will not be one of milk and honey; but it can be a much better world through your hard work and your aspiring to adapt yourselves more easily to this changing world.

Let us all look to the 70's with optimism where positive constructive action will be undertaken at greater speed and will be even more far reaching.

As you young people move toward adulthood, I believe, that you individually and collectively will be the vehicle for continued progress. We all, then, may continue to aspire to greater and better things for all mankind.

Richard L. Sheely

Faculty

The make-up of the Lancaster High School Faculty has changed perceptibly during the past decade. Where as, we were a relatively small faculty of long established Lancaster resident-teachers in 1960, we now find our faculty to be a blend of mature experience and enthusiastic youth.

The world of 1970 may no longer be considered as the static orb which many of us once knew. We are faced with a dynamic world of many rapidly changing facets. As a consequence, the exposure to only one major philosophy is no longer adequate for our youth. They must be exposed to as many different political, ethical, and economic points of view as possible.

I feel the faculty of Lancaster High School is doing this job quite adequately, and I am proud to be associated with this fine group of professionals.

MIRAGE STAFF

1st ROW — Lou Ann Snoke, Judy Clark, Debbie Ward, Cathy Taylor, Lynn England, Miss Duncan, Advisor. 2nd ROW — Marsha Rine, Scott Hammond, Mike Friesner, Dave Morehead, Tom Kindle.

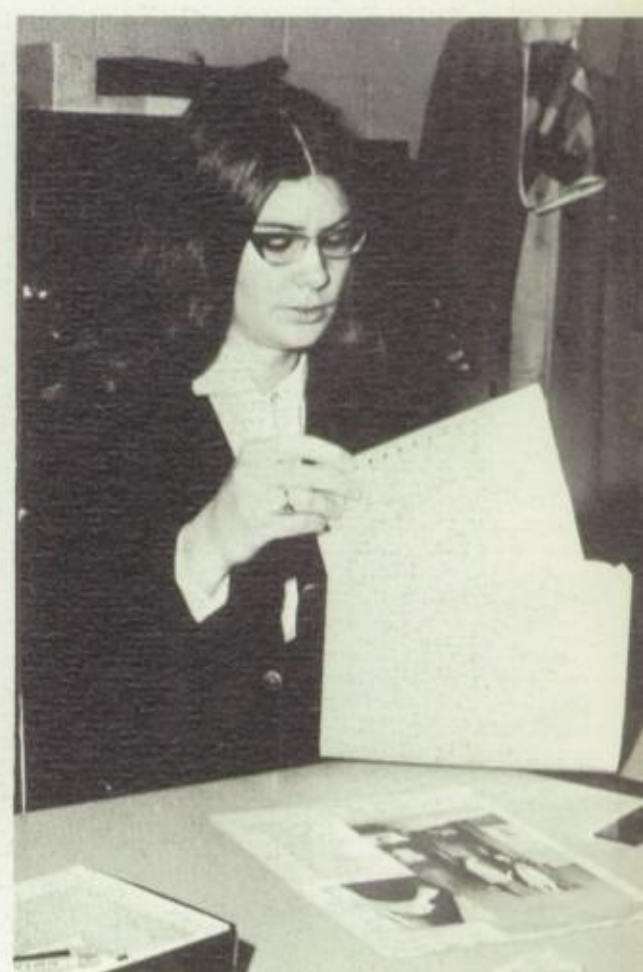

It is with great pride and pleasure that the Mirage staff presents to you the 1970 Mirage.

With the turn of the decade, the world has realized many advancements and accomplishments in numerous fields throughout the sixties, and has set a new precedent for the seventies. In keeping with the times, it was our desire to explore new techniques in journalism to better portray life at L.H.S. in 1970. It was indeed challenging to determine a more realistic and expressive way to depict our school's atmosphere. With such a wide range of sophisticated and creative ideas to choose from, the staff's selection has been thoughtful and moderate. We hope to have constructed for you a meaningful remembrance of Lancaster High School, 1969—1970.

Gales, Young But Talented, Look Forward To 70 Season

The Gales, under the direction of Coach Jones, fought bravely to a 3-7 won-lost record. Practice, dedication, and determination showed that the Gales were not affected by their record. Lancaster's tough schedule was exemplified by their strong competition in the COL, where they faced State Champ Upper Arlington, and highly rated Zanesville and Newark. Such non-league teams as Columbus Watterson and Springfield South added more stiff competition to the already tough gridiron schedule. Individual performances in the backfield and line gave incentive to the Gales to fight as a team. The one-two combination of Huston and Jewell sparked one of the lightest lines in the league. Backfield standouts such as John Cook, Joe DeFillippo, Marc Bailey, and Rick Alspach exploded in almost every game. Many other individuals showed great talent and gave the team high morale. All season long the inexperienced and outsized Gales demonstrated great courage and dedication.

1st ROW — Coach Sparks, P. Francis, G. Dunnington, B. Bope, D. Miller, J. DeFillippo, T. Hall, Coach White. 2nd ROW — P. Lynn, R. Stalder, M. Rutherford, S. Boyer, P. Baltz, R. Kluz, M. Bordner, S. Hammond, C. Terrel.

Although finding competition tough in the regular season, Coach Spark's cagers pulled through with fine post seasonal tournament marks. Returning starters Joe DeFillippo, Dave Miller, and Tim Hall sparked the Gales with additional help from seniors Phil Francis and Randy Stalder. Late season comer sophomore Walter Dilliard gave the team an even more youthful outlook and gained important experience on the varsity. In the sectional tournament, two of Dilliard's former reserve teammates, Brian Arledge and Roy Gordon, jumped up to the first team varsity squad and brought with them a kind of zest which aided the Gales' battle weary veterans.

The Gales ran into some tough competition this year in both the COL and out of league. Two COL squads were ranked at one time or another as one of the top five teams in the state, Newark and Zanesville. In regular season play the Gales

played fine ballgames against these two squads, and in one home game against 2nd state ranked Zanesville, actually led

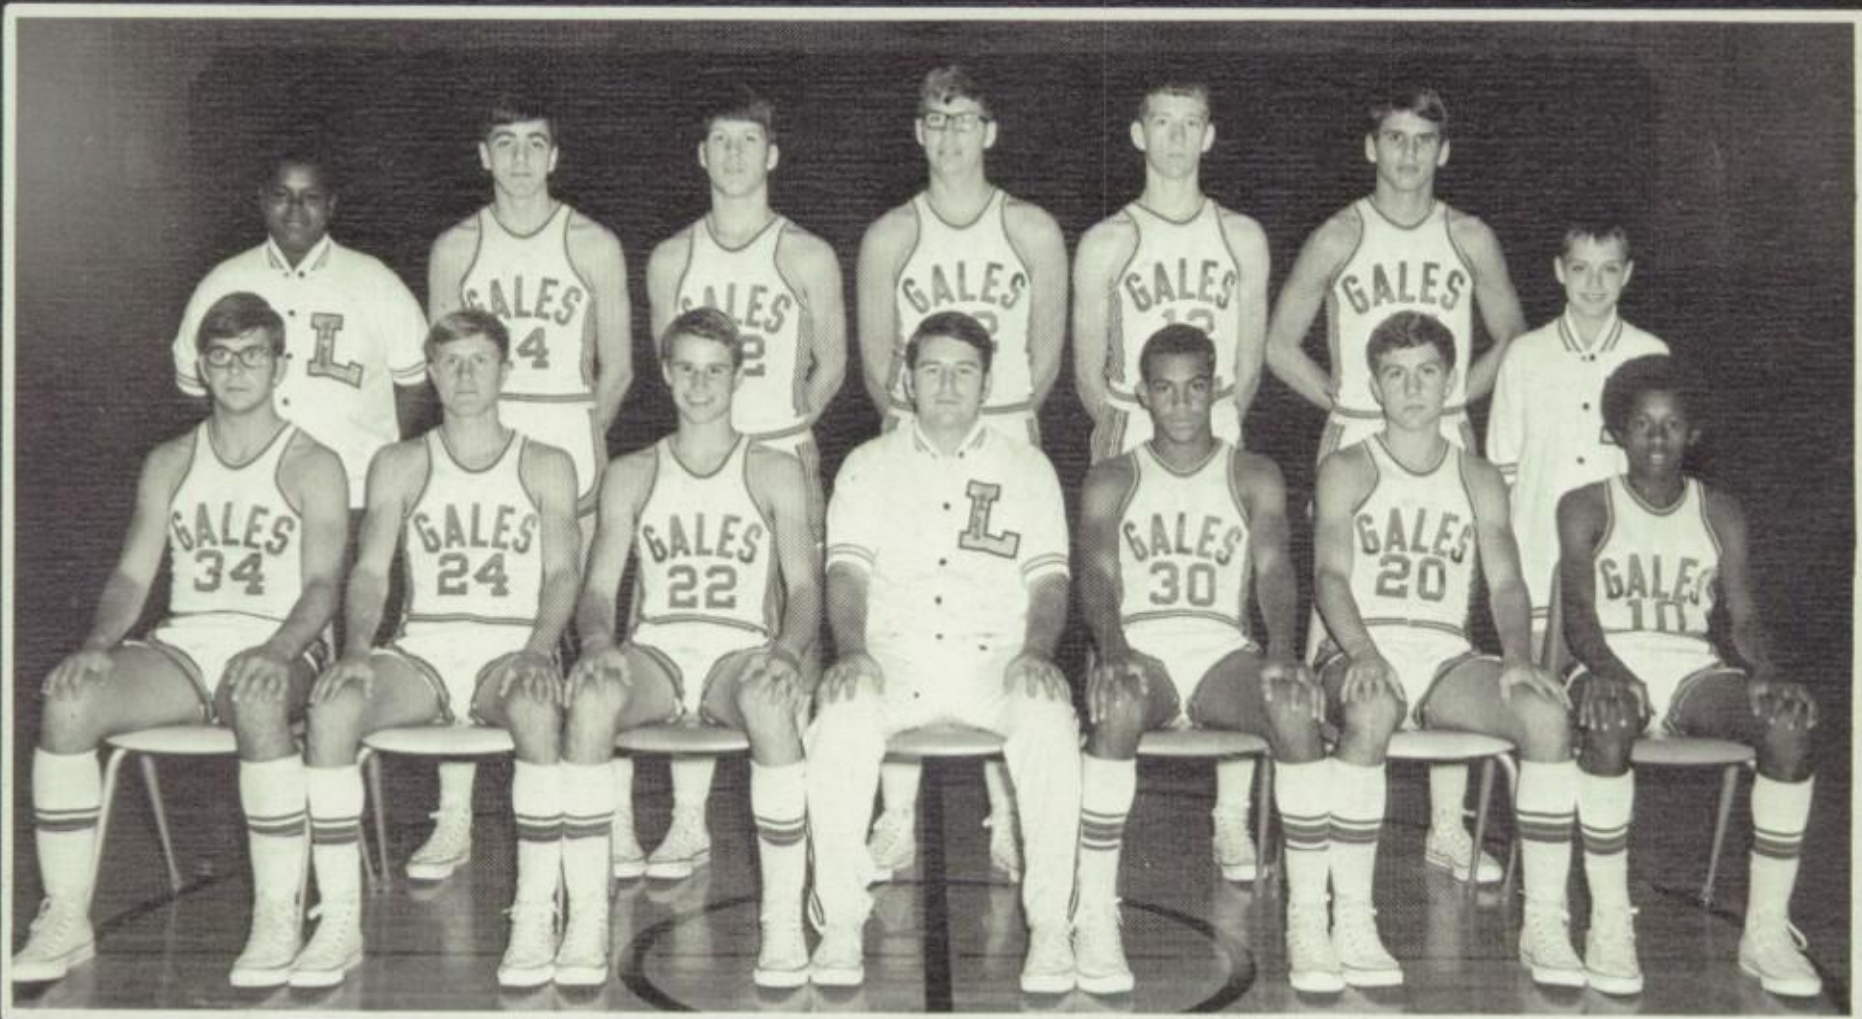

in a seesaw first half battle. In out of league play the Gales fell just a few points behind state ranked Worthington.

LHS SWIM TEAM: 1st ROW — R. Eyman, R. Eyman, D. Bullock, Coach Lowell Folsom. 2nd ROW — B. Bowen, D. Hester, D. Van Gundy, H. Eyman, J. Smith, Coach Dennis Neff. 3rd ROW — S. Supman, A. Pauluck, C. Vandenoever, D. Lucas, J. Cole, D. Akin.

The 1970 Gale Swim team succeeded in achieving a winning season ... the first for a Lancaster swim team in the history of the school. All-Ohioan Bruce Bowen paced the team, setting individual school records in six separate events, as well as joining Craig Seeley, Rod Eyman, and Dave Lucas in setting a seventh record in the 200 yd. Medley Relay. Dave Lucas set the only other individual record for the year in the 400 yd. Freestyle.

Next year's returning swimmers will have to work hard to fill the gap left by graduating seniors, if they hope to match this year's record.

ROW 1 — Gary Lockwood, Jim Hussy, Carl Drury, Ken Fosnaugh, Jim Minehart, Steve Romine, Larry Whitaker. ROW 2 — Bat-boy, Steve Boyer, Pat Powers, Keith Neel, Dave Scardina, Bill Lehman, Mark Reed, Roger Bowland. ROW 3 — Coach England, Tim Hall, Doug Brown, Phil Francis, Joe Smith, Jim Callahan, Rod Miller, Roger Sater, Steve Ricketts, Coach Lawrence.

The Lancaster Golden Gale baseball team pulled a winning record out of a very wet season last spring. The Gales, playing for the last season under Coach England, pulled through with a 15-8 record with nine starts canceled because of rain. The Gales were victorious in the COL, taking the tournament win from Newark in a thrilling extra inning ball game. The boys were sailing along in the sectional with two wins against Hillbro and Greenfield McClain when the Tigers from Miami Trace dealt the Golden Gales a heavy blow. The Gales had a rough go at pitching that day and watched the Tigers walk off with their state hope and a 7-1 win.

A young tennis team, under the coaching of Gary Mauller, battled to a near even mark last season. The squad's only senior was captain Wayne Bosserman, who led the team to a five-seven season. Although the Gales had trouble in the tough COL competition, their out of league play brought them firm victories over Walnut Ridge, Logan, and Groverport. Although Lancaster did not gain victories in the Granville and Academy meet, the young Gales were given a chance for real competition. Sophomore Ralph Ticknor added a lot of spark to the team, totaling a 7-7 record, gaining nine team points and earning a hard fought second in the COL. Other top scorers were Tom Essman with eight; and Mike Evans and and Jeff Oetjen each scored seven. These three boys copped third place in the COL.

Gale Golf Team Highly Successful

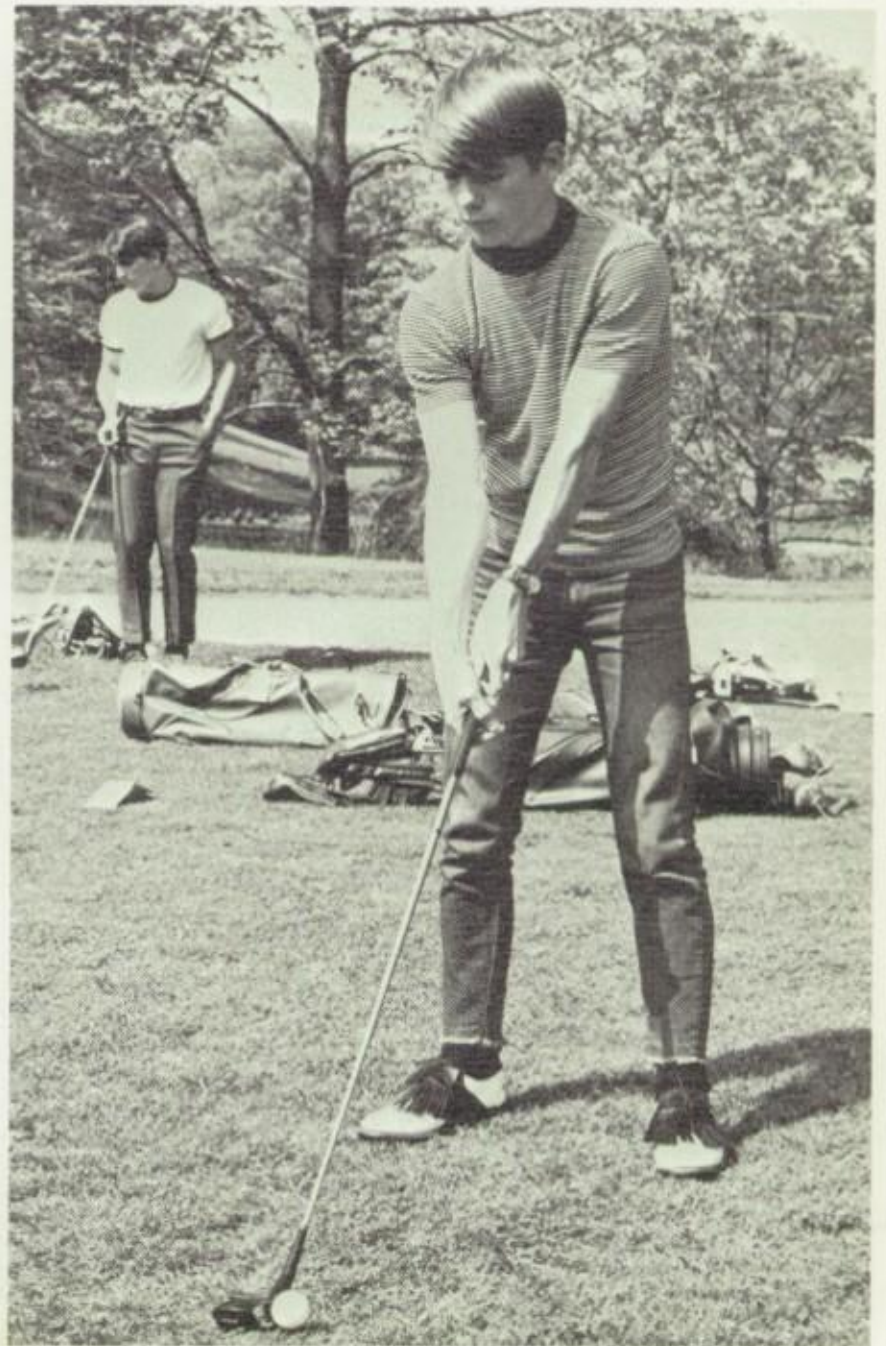

Under Coach Spark's last year of guidance as golf coach, and Senior Steve Grove's fine leadership and play, the LHS golf team engineered a great season mark of 21-4. Their post season play was just as stunning. The linksmen from Lancaster High won the District Golf Championship and placed 10th in the state meet. Steve Groves, undoubtedly the finest golfer LHS ever

had, won the district and placed third overall in the state. The team was also strengthened by the fine work of three sophomores: Dave Meckstroth, Miles Cumberland and Dave Riggs, and junior Dave Virden.

Team Wins Sixth District Title

The 1969 track team, under the direction of Coach Bob Hamm, sped to a 5-1 record on the season and fine showings at relays and state qualification meets. Eight school records were broken, and one of them, the Distance Medley, was an "All-time-Ohio Record".

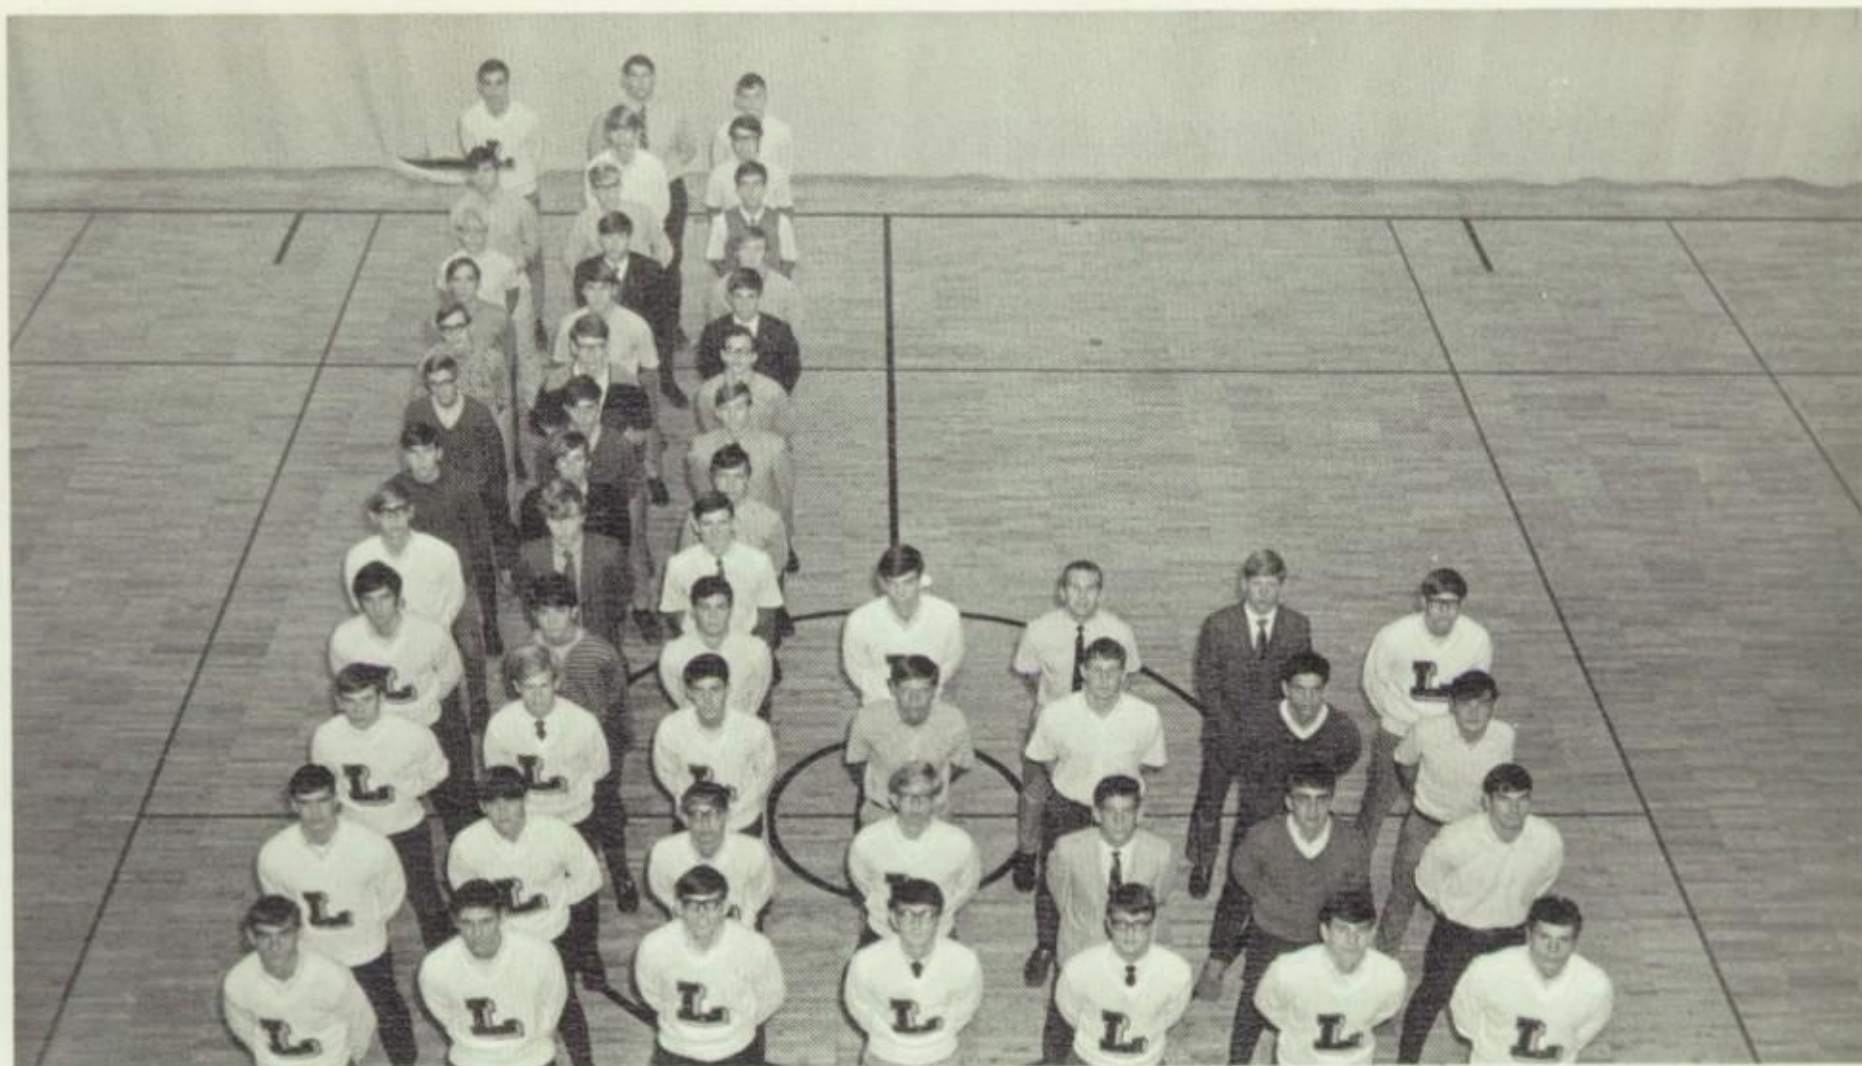

Lancaster also produced five district winners who captured their titles in Lancaster's sixth straight District Title. Three winners, Gary Graf in the Mile-Run, Bruce Nickerson in the Pole Vault, and Bill Beaty in the Two-Mile, all went on to obtain state recognition. The Gale's second great hi-light of the year was their victory over seven strong opponents to capture the coveted Fulton Relays championship.

The varsity girls finished a great season this year with a record of 6-1. Their only loss went to Newark in an extremely close match. Although the loss marked the first defeat that any varsity team has seen under the coaching of Mrs. Ewing, the reserve team copped the Licking-Fairfield County Championship. The main award of the year, the most valuable player award, went to the team's captain, Diane Jones.

FIRST ROW: D. Wildernuth, B. Wooldridge, D. Nemetz, D. Medler, S. Myers, N. Wernet, K. George. NEXT ROW: B. Daubemire, B. Vollmer, J. McClurg, J. Morse, P. Bailey, N. Henry, L. Skivers, Mrs. Baughman. LAST ROW: E. Miller, J. Vandenoever, B. Menson, L. Hatcher, D. Wernet, J. Dowell, L. Treen.

Young Team Has Great Potential

As a relatively new girls' sport at LHS, the field hockey team suffered defeat this year. The purple team had a record of 0-4, and the gold team ended with a record of 0-3 and one tie. The girls faced several extremely good opponents, but never lost their determination and desire to win. Since most of the players were juniors and sophomores, the team, coached by Mrs. Baughman, has great potential for next year's season. Leora Skivers, who has played on the team three years, was honored as the "most valuable player" with a trophy given each year by the Booster Club.

1st ROW — P. Dwyer, K. Blackford, P. Thrush, D. Jones, L. Edwards, S. Myers, K. George. 2nd ROW — L. Skivers, B. Wooldridge, S. Jones, B. Boyer, C. Wildermuth, N. Henry, J. Crossen. 3rd ROW — P. Bailey, H. Harrison, B. Waliser, D. Wright, J. Vandenoever, E. Miller, S. Balser, Mrs. Baughman.

Girls' Basketball Has Great Season

Under the coaching of Mrs. Baughman, the girls' varsity team finished a great season with a record of 7-2. This record put the team, whose co-captains were Pam Thrush and Diane Jones, into second place in the Licking-Fairfield County League. This league consists of eight teams including Lancaster. The reserve team lead by co-captains Barb Wooldridge and Debbie Wright also did well, posting an 8-1 record. The high scorer overall was Vicki Anderson with more than 56 points, while Diane Jones received the most valuable player trophy.

Girls' Softball Undefeated

Coach Donna Ewing's hard hitting softball team smashed to an undefeated season last spring. The girls outscored their opponents by a dazzling average of 17 points a ball game. "Pinky" Shull was the team's leading hitter with 13 home runs and one grand slam. Co-captain Betty Boyer led the speed department with the most stolen bases, while her colleague Cheryl Gilpin received the most valuable player trophy.

Sophomores

The school year 1969-1970 opened with confusion and excitement for the Sophomore Class. New experiences, new friends, new challenges kept the class involved in various school activities. The class proved to be a success in their various endeavors — building a Homecoming float, participating in club activities, achieving academic rewards, competing in athletics, and organizing the ever-popular Sophomore party. Caught up in the life of L.H.S., the class developed strong school spirit, by winning the head

hunt sign at pep rallies, rooting for the Gales in athletic contests, and working together in school projects.

The Sophomore year was a year for building and developing. Hopefully, all Sophomores have built throughout this year a firm foundation on which to build a successful high school career. Next year our enthusiastic class will return as more responsible Juniors to strive for continued improvement.

Juniors

The spirited Junior Class eagerly dug into the new school year with much determination and many goals. Their first accomplishment was to construct the winning homecoming float, "Leave 'Em in Our Tracks." The hard working class participated in other worthwhile projects. The Christmas food collection was one notable success. Scholastically the versatile Juniors possessed high ambitions and achieved important academic goals. The enthusiastic class participated in athletics, clubs, and other school activities throughout the year. With its fiery spirit the class won the victory headhunt sign again and again because of its earthshaking battle cry. Perhaps the highlight of the year was the enchanting Junior Prom which many will never forget. At the close of the school year in June, the class of '71 will look forward to a most outstanding Senior year.

Seniors

How appropriate that our Senior Class of 1970 is the first graduating class of the new decade! We have been both a backward and forward looking class, respecting and enjoying the time-honored traditions of the '60's while establishing new precedents for future graduating classes of the '70's.

Participating as a group in the traditional class activities and cooperating together in the various fund-raising projects have united us and provided us with good times together. Our class float, "On for a Victory", served as a gathering place for us seniors, a center where we met to talk and have fun. At the Senior Prom LHS couples spent an enchanting evening as chivalrous knights and exalted ladies in the dream-world of "Camelot". We worked many long, hard hours to stage successfully the difficult but highly challenging play, INHERIT THE WIND, which was enthusiastically received by the citizens of Lancaster through a multiple-night showing. The Class excelled scholastically as well, with nine members named Merit semifinalists and nine with a letter of commendation, many more than in previous years.

But the Class of '70 was not satisfied merely to follow in the footsteps of its predecessors. Reflecting the mood and trends of the times, we felt a troubling social conscience prodding us to become involved in community and world issues. Our first project was a fund-raising drive for the United Appeal. Later, we collected old clothes and sent them to underclothed people overseas. One spring day we proclaimed "Political Action Day" on which we wrote letters to our political leaders on the issues of the day.

The legacy of the Class of '70 is two-fold: it is the precedents of being socially and politically concerned as a class and performing worthwhile projects for the community; and it is the concern in ourselves about the political and social conditions in which we live, in a word, the desire to become active and responsible citizens of the world into which we are about to enter.

The Senior Class of 1970 presents "Inherit the Wind" by Jerome Lawrence and Robert E. Lee

"Inherit the Wind" has its basis in the famous "monkey trials" which took place in Dayton, Tennessee during the month of July of 1925. The play is not a history; it has dimensions and meaning of its own. The stage directions set the time as "Not too long ago." It might have been yesterday. It could be tomorrow.

"Which is hungrier, my stomach or my soul?"
